

REGULATORY MANAGER PERMANENT, FULL TIME ROLE

An experienced Regulatory Affairs Manager to facilitate and guide the business through the global regulatory environment. The successful candidate will possess at least 5 years previous experience in Regulatory Affairs including dossier writing and preparation of generic drug (ANDA) submissions in the pharmaceutical sector together with experience in dealing with US regulatory authorities.

The ideal candidate will have dermatology and / or device regulatory experience as well as having experience in direct interactions with the FDA. Electronic submissions experience is highly desirable.

To be successful in any role at Acrux will be your 'can do' attitude, proven track record and ability to be part of a champion team.
