

**SCIENTIST (QC & STABILITY)
3 MONTH CONTRACT, FULL TIME POSITION**

With a strong product pipeline, the company wishes to appoint a Scientist on a three month contract to assist with the operation and testing of current stability programs. The successful candidate will be required to perform and ensure QC and stability testing is performed to a high quality work standard and in accordance with Good Laboratory Practice (GLP), Good Manufacturing Practice (GMP) and required timeframes. You will also assist with laboratory maintenance and calibration, quality, safety and continuous improvement activities.

To be successful in any role at AcruX will be your 'can do' attitude, proven track record and ability to be part of a champion team.
